

Bourne Braves Clinics

Can you imagine learning the fundamentals of baseball from the likes of Seth Maness, Brandon Inge, and Mitch Moreland? Each summer, the Cape Cod Baseball League brings the best collegiate players to Bourne. Your child has the opportunity to learn from these talented athletes.

The Bourne Braves are proud to support the future of baseball by providing a FUN learning experience that your child will want to be a part of year after year. Each day will focus on improving the young player's basic skills while promoting the importance of teamwork and sportsmanship. Our staff consists of the Bourne Braves' assistant coaches and players.

Each week, all clinic participants will have the opportunity to be recognized on the field at the start of a designated Bourne Braves' home game.
